# Special Issues

## Applied Sciences

applied sciences

- › [https://www.mdpi.com/journal/applsci/specialissues/AI\\_Data\\_Science](https://www.mdpi.com/journal/applsci/specialissues/AI_Data_Science)
- › Deadline for manuscript submissions: **30 April 2021**
- › More than 50% extensions from the conference version

### Special Issue Editors

Prof. Jerry Chun-Wei Lin [Website](#) [SciProfiles](#)

Guest Editor

Department of Computer Science, Electrical Engineering and Mathematical Sciences, Western Norway University of Applied Sciences, Bergen, Norway

Interests: AI and machine learning; data analytics; optimization; soft computing

Special Issues and Collections in MDPI journals

Dr. Stefania Tomasiello

Guest Editor

Institute of Computer Science, University of Tartu, Narva mnt 18, 50090 Tartu, Estonia

Interests: soft computing; machine learning; dynamical systems and control

Special Issues and Collections in MDPI journals

Dr. Gautam Srivastava [Website](#)

Guest Editor

Department of Mathematics & Computer Science, Brandon University, Canada

Interests: Security; Privacy; Data analytics

Special Issues and Collections in MDPI journals

## Data Science and Pattern Recognition, DSPR journal

- › More than 30% extensions from the conference version

# Keynote Speaker

- › Full Professor, Philippe Fournier-Viger
- › Harbin Institute of Technology, Shenzhen, China
- › Research interests: data mining, algorithm design, pattern mining, sequence mining, big data, and applications.
- › He is the founder of the popular SPMF data mining library, offering more than 180 algorithms, cited in more than 980 research papers since 2010. He has also participated in more than 300 research papers, which have received more than 6900 citations (as of 2021/01)
